*= unknown performance time as of 08/15/11

Conflicts with these events will not be resolved until 2 weeks before the event.

If there is a HOME GAME or HOME MEET that will be taking place at GHS later in the evening, come to band until you need to report for your game.

Coaches will give the band directors a list of who is and who is not participating in events like tennis matches or swim meets. If your student is not participating, the student needs to come to band.

Conflicts with activities with no regular weekly conflicts, like German Club and Student Council, will be resolved on an event by event basis.

Fall Play Auditions will be held on a Wednesday and Thursday night. Please plan on attending Wednesday night so you do not miss Band on Thursday. If you are in a call back situation, Mrs. Dillard and Ms. Shadensack will negotiate that.

If your student has additional conflicts (ie advances to Regional or Sectional meets or tournaments) please email Ms. Shadensack at bshadensack@galesburg205.org.
